

Predicted View

There is an uncertainty in the horizontal position of the turbine of +/- c.3 times the tower width

Viewpoint grid coordinates: 429185E, 177445N, c. 225 m AOD

Distance to turbine: 0.67 km

Figure 6.2

Viewpoint 8: Near motorway bridge east of Baydon

Applicant:

Matt Partridge

Horizontal angle of view: 90°

Monocular perspective could best be obtained by curving the images through 90° and viewing from a distance of 250mm
